

Agrecovery Terms & Conditions

By using the Agrecovery website or any of the Agrecovery programmes you are indicating your acceptance of these terms. We may revise these terms at any time by updating this posting and you should visit this section periodically to review the terms.

Agrecovery's Membership Terms and Conditions

Agrecovery is a rural recycling programme. To ensure materials can be recycled or recovered effectively and that the delivery of the programmes remains safe for all users of the programme, including those contractors that handle the recovered material during the recycling or recovery or disposal process, there are a few best practise procedures in place.

As a member of Agrecovery you agree to:

- I/we acknowledge that all materials placed into Agrecovery recycling bags or taken to an Agrecovery collection site or event will be in accordance with the Agrecovery Acceptance Criteria.
- I/we agree that if containers, chemicals or recycling bags are rejected by the authorised inspectors or contractors that I/we will be liable for and accept the return of these materials and remove them immediately.
- I/we agree that I/we will rectify the problem with any rejected materials prior to rebooking for collection or resubmitting to a collection site or event.
- I/we agree that collection may be refused if the site location does not allow reasonable vehicular access for Agrecovery or their approved contractors.
- I/we agree that any materials or chemicals booked for recovery or disposal are in my ownership until such time as they are assessed and accepted by the Agrecovery inspector or contractor.
- I/we agree to receive email or postal updates from Agrecovery regarding programme updates, collection events in my region and the Agrecovery newsletter or other communications from time to time.

Changes, additions or discontinuation of Agrecovery services

Agrecovery services operate within a market environment subject to continuous change. From time to time we may review any aspects of our programmes, including (but not limited to) service locations, procedures, membership and eligibility criteria or participation costs.

We may add collection services for new materials due to changes in relevant legislation, market conditions or customer requirements. Alternatively we may discontinue services, for example if appropriate recycling avenues cannot be found for collected materials or funding restrictions prohibit continuation of an effective service.

Any such changes to programme parameters, and the timing of these, are entirely at Agrecovery's discretion and no liability is taken for any adverse effect, direct or otherwise, on programme users or other stakeholders.

In the event of any change, addition or discontinuation, Agrecovery will take reasonable steps to communicate in a timely fashion with affected users via the below methods:

- By email if you have supplied us with an email address;
- By post;
- By phone;
By SMS or text message;
- By a notice on our website

If your contact details change you must tell us. You will be deemed to have received any notice which was sent to your last known email or postal address.
